

## CM lauds Apollo BSR Hospital for heart surgeries of needy kids

THE unique achievement of conducting 200 heart surgeries on needy children under Mukhyamantri Bal Hriday Suraksha Yojana “ the specially introduced scheme by the state Government for facilitating the children suffering from terminal heart ailments with advance medical treatment and health care free of cost, “ was celebrated in a grand function held at Apollo BSR Hospital , Bhilai where chief Minister Dr. Raman Singh was present as Chief Guest.

Speaking on the occasion, Dr Raman Singh said that it certainly is a matter of pride that such a large number of children, who were struggling to survive, now have the new lease of life and the hope for healthy future. It gives immense satisfaction to see these children beaming with smile and in good health who were finding it difficult to survive due to their heart ailments .

It should be considered as the best ever project introduced on humanitarian ground for ensuring the survival of tiny tots. He specifically exhorted the children and their parents to abide by the doctors’ advise and initiate all the necessary measures prescribed after their successful operation.

He also assured that he is intending to visit again to the hospital after it achieves the much cherished target of five hundred heart surgeries of needy children .

Dr Raman Singh appreciated the hospital authorities for introducing the scheme of rescuing the accident victims from the 40 Kilometres range on national highway and providing them the necessary treatment. And also the provision made of four ambulances by the hospital for transporting accident victims also deserves praise.

Dr M K Khanduja, Chairman cum Managing Director of Apollo BSR Hospital, Bhilai said that he along with the team of doctors put in the dedicated efforts with due commitment and conducted 200 hundred heart surgeries of needy children successfully. He reiterated the commitment of the hospital for achieving the target of 500 heart surgeries of children diagnosed with heart diseases in future.

He specifically lauded Chief Minister Dr Raman Singh and the ministers in his cabinet for their perception for introducing the scheme Mukhyamantri Bal Hriday Suraksha Yojana for needy children.
